HAPPY NEW YEAR

Welcome back!

I hope that everyone has had a lovely break and you have been able to enjoy some quality time with family and friends. It has been great to see so many smiling faces around school this week and I have enjoyed hearing about the Christmas break.

Open Afternoon

Can I draw your attention to the Open Afternoon which we have planned for Wednesday 22nd January. This will be student-led and is a lovely opportunity to share your child's learning with them. The children will have a check list to work

through and they would have spent some time preparing beforehand so please help them to work through it. The class teacher will be available during the Open Afternoon, however, please can we remind you to book a specific appointment if your query is of a more personal matter. The Open Afternoon will run from 3.15— 5pm. I hope that many of you will be able to make it and I look forward to seeing you. It is one of my favourite school events.

Forest Schools

Please note that Forest School will begin to run again next week so ensure appropriate clothing/shoes are in school again—thank you.

Have a lovely weekend.

Kind regards,

Miss L James

Purple Achievers

It is always a pleasure to celebrate the success of our pupils in school. I have thoroughly enjoyed presenting certificates for a range of achievements and look forward to seeing some more great work next week.

A huge well done to the following children for reaching purple this week:

TIMES TABLES ROCKSTARS

Dear Parents/Carers

We have signed up for access to a very exciting times table website/app which we will launch on Tuesday 14th January with the children in the juniors. On this day, the children will be given information on how they can access the software at home and at school, and will bring home information for you about the different challenges and activities available.

We invite all the children to come to school on the 14th January dressed as a famous Rock Star. Many schools have experienced huge success with the children's time table knowledge, following the use of TT Rock Stars, and we hope to see the same at St Stephen. Through an exciting launch day, and your encouragement with the children accessing the app, I am sure our times table success will rocket!

Feel free to look on Social Media (Facebook and Twitter) where TT Rock Stars share lots of ideas.

@TTRockStars

As always, **St.Stephen Churchtown Academy Rocks!**

Thank you for your ongoing support,

Mrs Philp (Maths Co-Ordinator).

Sport

Can you help us?

Our Cross Country team are in desperate need of Cross Country running tops. We also use the tops for athletics. We need about 25 more added to the stock we already have. The cost is approximately £500. Are there any parents/carers who have a business and are looking for advertisement opportunities and would like to sponsor us? Do you know of any businesses around the local area who would sponsor us? We have done exceptionally well in this sport and hope to continue to provide the children with a smart uniform so they can be proud to represent our school. Your business name will be on display at many sporting events across the County. If you are interested then please contact the school office. Thank you!

Reminder: We ask that all parents/carers to park appropriately on school grounds when bringing children into school. Thank you.
