## **Sport**

This week saw the first real action of the term after a couple of postponements due to the weather. On Tuesday we welcomed Charlestown to the school for a full set of football and netball fixtures.

In netball, our A team continued the way they left off last year with a dominant and quite incredible 29-1 victory. 5 members of last year's district league and cup winning team remain and are now supplemented by some strong new players and they were remorseless in overwhelming an inexperienced Charlestown team. The team seem intent on not only matching their achievements of last year but of building on them.

The B team also registered a fantastic 11-1 win in what was for all the children involved their first ever competitive match. Although the team is completely new, they look ready to step up and defend the B league trophy that we won last season and if they continue to work hard and improve they will continue to provide stiff opposition.

Our A football team came up against a strong and resolute Charlestown team who were worthy winners 2-0. For several of our players this was the first proper competitive game of football they have played and as such we were pleased with their efforts, as they were far from embarrassed and competed well with a more experienced team. They will have learnt a lot from the experience and we are sure will continue to grow and improve as the season goes on.

The football B team played out a highly entertaining 2-2 draw which they were very unfortunate not to win having scored what looked like a late winner from Billy before rather calamitously conceding an equaliser with the last kick of the match. Even so, they deserve tremendous credit for their performance and again will learn from the experience.

The 3/4 team were defeated 4-1 by a very good side who sit unbeaten top of the league. They were perhaps slightly hard done by with the scoreline as they struck the woodwork and missed a couple of close chances before Harrie netted a consolation goal. They are a talented group of players and we are sure they will bounce back.

Players of the match

Netball A - Willow (Caerhays)

Netball B - Amanda (Caerhays)

Football A - Torren (Crantock)

Football B - Billy (Crantock)

Football 3/4 - Alfie (Carlyon Bay)

On Thursday, our football A team travelled to Biscovey school for the annual ESFA open qualifying tournament with 10 schools from Mid-Cornwall participating. After a slightly chastening defeat on Tuesday, the boys were keen to improve and correct some of the mistakes they had made in their first full match. The tournament involved a group stage with the top 2 teams in each group qualifying for the semi finals.

Our first game was against Biscovey who dominated possession early on but were unable to really cause our reorganised defence any problems. As the match progressed, our confidence grew but the game remained cagey before ending 0-0. Our second game was an Aspire derby against Sandy Hill and the boys took the confidence they had built in the first game to dominate proceedings. Unfortunately, their good play did not come to fruition due to several near misses, some good goalkeeping and the woodwork and again the game ended 0-0. The third tie was against Charlestown and we were determined to not be rolled over like we had been two days before. The team put in an excellent disciplined performance with Joe grabbing a goal to win the game 1-0. In our final game, we faced an Archbishop Benson side who had won all their games and although we put in another strong showing, were edged out 1-0.

This meant that we finished second in our group and faced group winners St Mewan in the semi finals which is the first time in several years we have reached this stage. Due to a couple of sloppy errors with fatigue setting in, St Mewan raced into an early 2-0 lead before we fought back with Jago scoring an emphatic finish to make it 2-1. After this, it was end to end stuff but we were not able to overcome the early blows. However, the team showed huge resilience in the match and throughout the tournament and we are delighted with how they did. They have made huge strides already and if they continue to do so will be highly competitive as the season goes on.

Thursday was a big day for sport as it also saw the first MCSN cross country event of the year at Par running track with 35 children from KS2 taking part. All the children were absolutely brilliant and represented the school with distinction as well as having the usual fun in the mud. In particular, members of our cross country club have been training hard and consequently there were some exceptional performances from our most gifted runners. Each race usually involves up to 100 runners and below are some of our standout finishers:
