TAPESTRY

Every half term we will invite you in to school to look at your child's Learning Journey.

Polkerris – Wednesday 15th October

3.00 in the classroom.

Porthluney – Wednesday 16th October at 3pm
in the library.

READING

All children are on Lilac reading level.

Today all children have received their Phonic book with 3 sounds.

Children to learn the phonic sound and the letter name for all 3 before next 3 are given.

When given the 3rd set of sounds, they will receive a set of words to learn to read.

READING

After every 5 sets of words children are given a consolidation set of words.

When on set 6 of words, they will be given a character matching game.

When on set 7 of words, they will be given a Pink level reading book with words.

PHONICS

- We teach the children Phonics daily.
- We will listen to the children read daily.
- We will check their phonics and words daily.
- We would like to children to read and learn their phonics and words at home daily.

BEHAVIOUR POLICY

- We are using the same behaviour policy as in previous years but this year we also have a purple level.
- All of the children begin the day on green and this is where we expect children to be – this is called ready to learn.
- If the children make good choices and do something really good we can move them up to blue and give them 'in it to win it' tickets.
- If they really wow us and make great choices then we can move them up to purple – this means that they visit SLT and get a special certificate.
- At the other end of the scale we have yellow and red. We move children to yellow to think about the choices they are making if they are not following the school rules and to red for persistently not following the rules or for hurting others.
- Red now has a time to reflect form that we fill in and show you at the end of the day.

DATES FOR YOUR DIARY
