## Are you worried about a child or young person?

If you think a child or young person might be suffering neglect or abuse contact the Multi Agency Referral Unit (MARU)

**If you see something, say something**

☎ 0300 1231 116

✉ multiagencyreferralunit@cornwall.gov.uk

Whilst you may be concerned about involving our services, we do more than check up on children and young people's welfare.

If a family is struggling, we can organise early help and support for them, before any problems become harder to solve.

### What information do I need to give?

The more detail you are able to provide, the better we will be able to help.

If you have noticed that something wrong, other people might have too. A teacher, health visitor or other person that knows the family might have already alerted us, and your knowledge might fill in some missing information that can help.
