

The 7 Wonders of the World

Draw a picture,
make a model
create a fact
poster or booklet
about one on The 7
Wonders of the
World.

Maths Task

Create a table of data for 10
countries, include facts such as
population, temperature, land area,
number of main cities.

Holiday advert

Design a poster
advertising a holiday
to a country, city or
resort. Use all of the
persuasive features
we have discussed in
class.

Caerhays and Crantock

All around the world

Topic Homework

Postcards

Make a postcard or a set of
postcards that could have been
sent from different places from
around the world.

Draw a picture or pictures on the
front to show what the place is
like and write your message on the
back describing your adventures.

Tourist attractions

Find out about a popular
and famous tourist
attraction. Produce an
information poster or
leaflet about it.

Pick 3 football teams from 3
different continents.

Research their kits and
playing statistics.

If you wish to present your
information in electronic
form, that would be great
too 😊
