

## Mathematics

We will be looking at:

Addition and Subtraction: To add and subtract larger number using a formal written method. To solve addition and subtraction word problems.

Fractions: To recognise mixed numbers and improper fractions and convert from one form to the other and write mathematical statements >1 as a mixed number.

To add and subtract fractions with the same denominator and denominators that are multiples of the same number

## PSHE

### Relationships

We will be looking at relationships between friends and how to solve friendship problems.

We will be discussing ways to resolve situations and how to treat others with respect.

## Literacy

### Theseus and the Minotaur

We will be looking at the Ancient Greek myth of Theseus and the Minotaur. We will focus on writing character descriptions, diary entries and newspaper reports before planning and writing our own myths.

### SPAG

We will be focusing on

- Direct and reported speech
- Importance of punctuation- commas and colons for lists

## D&T / Art

We will be linking Art and DT to our topic - Ancient Greece.

We will be creating mosaic pictures using different materials.

We will also be making Greek Pots using clay and creating our own Greek designs.

## P.E.

P.E will be focussing on outdoor games and activities linked to Sports Day.

# Ancient Greece

Caerhays Y5 Summer term 1

## Science

### Changing State

Within this unit we will learn about different materials, their uses and their properties, as well as dissolving, separating mixtures and irreversible changes. We will sort and classify objects according to their properties as well as explore the properties of materials to find the most suitable material for different purposes

## Religious Education

We will be learning about Methodism and why it is so important to the Cornish communities.

## History and Geography

This will be based on our Topic - Ancient Greece.

Will be using maps and atlases to locate Greece, find the capital and countries nearby.

We will be researching the History of Ancient Greece and the Gods. We will be using timelines and reading many myths and legends.

## I.C.T

Our ICT focus will be using Coding where pupils learn how computers use numbers to represent things such as how fast things are moving, and where they are.

## Music -

We will be using the music from Will Smith - The Fresh Prince Of Bel Air. We will use the music to play games and look at the dimensions of music (pulse, rhythm, pitch etc.), singing and playing instruments.
