

## Mathematics

- Multiplication and Division: using formal written methods to solve calculations and word problems.
- Recognise and use square and cube numbers
- Find the perimeter of composite rectilinear shapes in centimetres and metres.
- Area of regular and irregular rectangles
- Volume of shapes.
- identify, describe and represent shapes in reflection or translation.

## PSHE

### Changing Me

We will be talking about our bodies and body image leading into the changes our bodies make through puberty.

We will discuss how babies are made and conception.

## Literacy

### Theseus and the Minotaur

This half term we will be reading the text 'Who Let the Gods Out?' and will be focusing on researching and creating our own fact file for a Greek God/Goddess, along with planning and scripting our own News Broadcast.

### SPAG

We will be focusing on

- Parenthesis- brackets, dashes or commas
- Articles.

## D&T / Art

Linking to our Topic, we will be designing and making Ancient Greek pots.

We will be looking at different design used on Greek pottery to create our own.

## P.E.

Outdoor sports.

We will be playing rounders and athletic sports.

# Ancient Greece

Caerhays Y5 Summer term 2

## Science

### Changing State

Within this unit we will learn about different materials, their uses and their properties, as well as dissolving, separating mixtures and irreversible changes. We will sort and classify objects according to their properties as well as explore the properties of materials to find the most suitable material for different purposes

## Religious Education

We will be learning about The Holy Spirit and the fruits of the Spirit.

## History and Geography

We will be continuing our history topic - Ancient Greece.

We will be finding out about the Greek God's and Goddesses, the Trojan War and Priam's Treasure.

We will be making fact files from all of our Ancient Greek research.

## I.C.T

Designing a presentation on Chromebooks about Ancient Greece to present to the class.

## Music -

We will be using the music from Will Smith - The Fresh Prince Of Bel Air. We will use the music to play games and look at the dimensions of music (pulse, rhythm, pitch etc.), singing and playing instruments.
