

Caerhays Autumn Term 2 Home Learning Outcomes

DT - Autumn	
Construction - Structures	
Famous Frame Structures	Spot the Frames
Research a famous frame structure. Who designed it, when, and why? Why did you choose it?	Find or draw 3 frame structures near you. Label the shapes and materials.

Science - Autumn	
Earth and Space	
The Planets	Day and Night
Create fact files of the planets in our solar system.	How does day and night work in different places around the world?

PE - Autumn	
Dodgeball and Dance	
What is the history of Dodgeball? Write a set of rules for your own version.	Create your own dance routine linked to your favourite song.

Geography - Autumn	
Eco Tourism and Eco Travel	
My Dream Global Adventure	Travel Footprint Detective
Choose 3 places you'd love to visit. Write the country, continent, and nearest ocean. Use a map, atlas, or globe to find the latitude and longitude. Draw a small map showing your destinations and add a fun icon for each place.	Pick a trip you've taken or would like to take. Write down your mode of travel and calculate its carbon footprint. Make a simple table showing distance, CO ₂ produced, and how it could be more sustainable. Explain how tourists can travel more responsible.

RE- Autumn	
Racism - Can religions help?	
Create a song or art piece that symbolises how you think we can stop racism.	What do the 6 big religions teach about racism?

MFL - Autumn	
The way we look	
Create a poster labelling the body parts in Spanish.	Write a conversation in Spanish.

PSHE - Autumn	
Valuing Differences	
Friendship	Stereotypes
What makes a good friend?	What are stereotypes and why should we stop using them?

Computing - Autumn	
Vector Drawing	
Shape Practice	Group and Layer
Create a small vector drawing at home using shapes and colour.	Experiment with grouping and layering objects in your drawing.
