

Year 2 Spring 1 2025/2026 Home learning outcomes- Readymoney and Fistril

Please hand in any paper copies of your topic work to your class teacher. We'd like to create a display of your lovely work throughout the term. If you would like to send an electronic copy, please email to hello@ststephenchurchtown.org.uk and add Mrs Philp/Mrs Ridpath to the subject.

Art- Watercolour painting	
Investigating	Building
Who is JW Turner.	Create your own watercolour painting.
Can you find out about another watercolour artist?	Perhaps use JW Turner's paintings as inspiration.

Books we will be reading	
Draw a picture/describe a book you have read at home.	
	
	

Music – How does music make the world a better place?	
Do you have a favourite song that makes you feel happy? Can you sing it for us or tell us about it?	Each country has a national anthem. Do you know ours? Perhaps you can learn it and find out about another national anthem too. What are the messages behind different national anthems?

RE-	
Who is Muslim and what do they believe?	
Design a prayer mat. Add some colourful patterns.	Can you do something nice for a friend and tell us about it?

PE	
Locomotion-Jumping	Gymnastics-Linking
Practise your jumping techniques. How far can you jump? Can you show how you have improved this half term, measuring your jumps and recording them.	Can you demonstrate the different rolls and movements we have learnt in an interesting way. How many different ways can you link your movements?

Science - Materials	
Knowledge	Investigations
Recycling- what materials can be recycled? Help your parents with recycling. What can we do to help recycle more? Create a poster to show what can be recycled.	Can you find out what material can keep a drink warm? Work with an adult to plan and carry out an investigation. We can't wait to see your results.

Topic- Why do camels have a hump?	
History	Geography
Research how people travel across deserts, both today and in the past. Were camels used to help?	Create a 'desert in a box' or a poster about deserts. What is the weather like? What animals can be found there?

Maths-
Practise dividing in to equal groups with items found in the home. What different ways can you share 4, 8, 12, 15, 18?
Practise counting on in 2s, 5s and 10s.
Practise reading the time using o'clock, half and quarter past/to.

Computing – Computer systems and networks	
What pieces of Information Technology do you have at home? How are they similar/different? Do you use them? How/what for?	Use technology to present a piece of homework for another subject.

PSHE- Growing and Changing	
Create your own timeline from when you were born to you now. You might want to include photos and information about milestones (when you walked, any holidays, changes like moving house or a new family member).	Write about a fun surprise you were involved in. What was the event? How did you keep the fun secret? How did other people react?
