

Carlyon Bay – Autumn Term 1 - Home Learning Tasks

PSHE

Teamwork & Conflict Resolution

Create a cartoon storyboard that shows two characters having a disagreement. Then show how they work together to solve the problem and become friends again.

MFL

All About Me

Create a poster using Spanish and English to label a range of hobbies.

PE

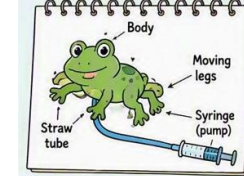

Netball

Practise passing techniques with a friend. How many passes can you complete in 1 minute?

DT

Mechanisms: Pneumatics

Design a moving toy that uses pneumatics (air pressure) to create movement. Draw a labelled diagram of your creation.
Optional: Make your toy!

History

Ancient Egypt

Create a model pyramid using materials from home such as cardboard, paper, construction bricks, or recycled materials OR design and create an Egyptian mask.

Music

A Shining Performance

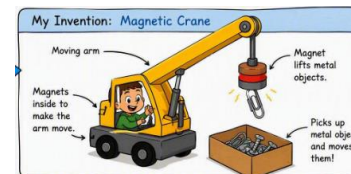

Louis Armstrong

Research Louis Armstrong and create a fact file including: Where and when Louis Armstrong lived, what instrument Louis Armstrong played and why Louis Armstrong is famous. Can you add any other interesting facts?

Science

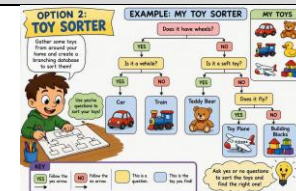

Forces and Magnets

Become an inventor! Design a toy, game or useful object that uses magnets. Draw and label your invention and explain: How the magnets work and why your invention would be useful or fun.

Computing

Branching and Databases

Toy Sorter: Gather 6-10 toys from around your home. Create a branching database to sort them using questions such as: Is it made of plastic? Does it have wheels? Can it move?
Draw your branching database using arrows and boxes.
