EARLY YEARS FOUNDATION STAGE (EYFS)

Our Philosophy in EYFS

Making every moment count to unlock a lifetime of opportunities.

EARLY YEARS CURRICULUM

- **Three Prime Areas:**

- Personal, Social and Emotional Development
 - Communication and Language
 - Physical Development

- **Four Specific Areas:**

- Literacy
- Mathematics
- Understanding the World
- Expressing Arts and Design

CHARACTERISTICS OF EFFECTIVE TEACHING AND LEARNING

- Characteristics of Effective Teaching and Learning (CoETL) are in the Early Years Foundation Stage Curriculum (EYFS).
- CoEL reflect on the different ways that children learn.
- **Playing and exploring** - children investigate and experience things, and 'have a go';
- **Active learning** - children concentrate and keep on trying if they encounter difficulties, and enjoy achievements; and
- **Creating and thinking critically** - children have and develop their own ideas, make links between ideas, and develop strategies for doing things

TAPESTRY

Parents will receive information about their child's development through Tapestry, which links to the EYFS framework.

If you are new to Tapestry you should have received an email to activate your account. If you are not able to access your account please speak to Mrs Mullin.

CLASSROOM EXPECTATIONS

- Be Kind
 - Be Respectful
 - Be the best that you can be
-
- Behaviour policy- to reflect pupils' choices the children can move up or down the behaviour ladder during the day.
 - Every child starts on green and can travel up the ladder onto blue or purple! Children will win 'in it to win it's', stickers or even a certificate from the Head of school.
 - There are times when children will need to move down the ladder onto yellow or red. This happens when children do not make good choices. If a child goes onto red their parents will be notified.
 - At the end of the week, we celebrate with a 'star of the week' and names will be pulled out of the 'in it to win it' box and will be awarded some extra playtime!
