

Year 5	Vocabulary Overview				
 Earth and Space	 spherical	 orbit	 solar system	 heliocentric	 time zone
 axis	 hemisphere	 phase	 waxing	 waning	 eclipse
 Animals Including Humans	 offspring	 foetus	 dependent	 adolescent	 gestation
 pregnant	 toddler	 breeding	 embryo		
 Properties of Materials	 magnetic	 transparent	 conductive	 insulator	 durable
 thermal	 evaporation	 molecules	 soluble	 insoluble	 substance

 friction	 upthrust	 buoyant	 balanced forces	 fulcrum	 unbalanced forces
 load	 lever	 pulley	 gear	 mechanism	 water resistance
