

Year 6	Vocabulary Overview				
 Evolution and Inheritance	 offspring	 variation	 inherited	 adaptation	 prehistoric
 fossil	 extinct	 relative	 neanderthal	 homo sapiens	 primate
 bipedal	 characteristic	 photosynthesis			
 Electricity	 component	 circuit diagram	 voltage	 current	 output
 insulative	 conductive	 filament			
 Light	 light source	 symbol	 transparent	 translucent	 opaque
 diagram	 reflected	 direction	 angle	 rotate	

 Animals Including Humans	 circulatory system	 valve	 ventricle	 atrium	 vessel
 capillary	 artery	 plasma	 platelet	 blood cell	 diffusion
 osmosis					
 Living Things and Their Habitats	 classify	 taxonomy	 kingdom	 cell	 nucleus
 domain	 species	 protozoa	 bacteria	 characteristic	 microorganism
 Looking After Our Environment	 greenhouse gases	 global warming	 climate	 biodegrade	 landfill
 non-renewable	 emissions	 renewable	 net zero	 trend	 data
