

Mathematics

Yr1- Make an '**addition family fact**' poster or booklet.

For example, $6+2=8$, $2+6=8$, $8= 6+2$, $8= 2+6$

Yr2- Make a poster all about **money**. Or make a poster showing either the **2,5 or 10 times table**.

PSHE

Complete an act of kindness for a family or community member.

Literacy

Write some facts about a mode of transport or an invention from the Victorian times.

Science

Yr1-Create a **weather diary** for a week. Describe what you see, feel and hear. Can you find out the daily temperature? What time did the sun set?

Yr2- Go on a **material hunt**- what will you find. Can you group them? Record your findings. Or maybe **design your own outfit**...which materials will you use and why?

The Victorians Homework

Readymoney

Autumn Term 2

D&T / Art

Make a Victorian style Christmas decoration using natural materials.

P.E.

Create your own dance to your favourite piece of music. Listen to the pulse of the music- which movements will you use? Can someone film you?

I.C.T

Can you design a Christmas card using a computer or ipad.

Religious Education

Create a story board of the Christmas story. Can you tell it to someone?

History

This is a Victorian artefact. Can you find out what it is and what it was used for?

Visit Lanhydrock House with your family.

Music

Learn the songs for the Nativity.
