Next Weeks Learning:

Phonics

Phase 4

CVCC words

(bent, spot, spin, stop,
lost,)

New tricky words—

said, so

Number Sense:

We have completed our unit of subitising numbers to 10! Well done everyone! You are getting so good at recognising objects without having to count them! Now we begin our 'Making and Breaking' unit! Starting with the number 5!

Maths: Numbers

The composition of numbers 9 and 10.

Comparing groups of numbers to 10.

Estimating numbers before counting them.

Investigations:

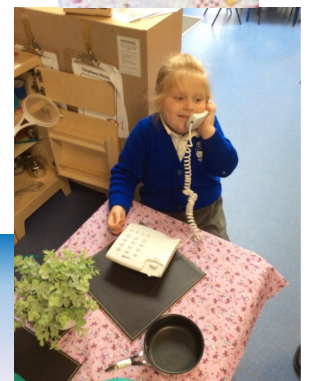

Sinking eggs:

Will plastic eggs sink or float? How many marbles will it take? Make your predictions!

Topic

Once Upon a Time...

Next week we will explore the story of Little Red Riding Hood. We plan to make our own paper baskets!

Please upload all learning onto Tapestry

07/06/21 Back to School
11/06/21 Inset Day
21/07/21 Last day of term
22/07/21 Inset Day
23/07/21 Inset Day

Reminders

P.E.:

Polkerris - Wednesdays and Thursdays

Crooklets - Thursdays

Forest School - Mondays

Library:

Polkerris - Tuesdays

Crooklets - Wednesdays

Challenge of the week

Make your own snap game —
use paper/card to write num-
bers 1-10 and draw a picture
to match.

Who will win?

Send us a picture on Tapestry.

Please can you collect
some junk modelling
items. We intend to have
a 'design and build a
house' activity during the
week beginning the 17th.

Thank you! Things like;
cardboard boxes, kitchen
paper tubes and plastic
pots. No metal tins.

Photos from home

Thank you for sharing your
learning and topic homework
on Tapestry.
