Stars of the Week

Maths: Numbers

This week we began our journey learning numbers to 20. We focused on the patterns we see when we make 20 and learnt that teen numbers always have 1 ten and some more.

Reading achievements

Karate Reading Awards

Francis– Blue Darcey—Green Charlie—Green Dougie—Green Merryn—Green Connor– Orange

WELL DONE!

Next Weeks Learning:

Phonics

Phase 4

CCCVCC words (Shrink, thrust, spring) Number Sense:

We are finishing off our 'Making and Breaking 5' unit and are now starting to learn different ways to make the numbers 2, 3 and 4.

Maths: Numbers

Continuing to learn about numbers to 20 by finding missing numbers, ordering numbers and playing number games like BINGO and race to 20.

New tricky words:

What, some, come

Topic

Once Upon a Time...

Wonderful Wind

We've had some strong wind this past week and to further explore it, we will be making windsocks to investigate the movement of air.

Donations of 2 or 4 pint plastic milk cartons, washed and cleaned with the bottoms cut off warmly welcomed!

Next week are going to explore nursery rhymes with the children. We hope to create a 'performance '

area outside complete with musical instruments for the children to sing and perform their favourite songs. We are also going to challenge the children to make their own nursery rhyme character puppet using the resources in the creative area.

Important Dates

- 31/05/21 Half Term Week
- 07/06/21 Back to School
- 07/06/21 Class photos
- 11/06/21 Inset Day
- 21/07/21 Last day of term
- 22/07/21 Inset Day
- 23/07/21 Inset Day

Challenge of the week

As we are learning about Jumping in P.E, can you practise your jumping at home? Can you jump high? Can you jump sideways? Remember to bend your knees and swing your arms. Send a picture / video on

Tapestry.

<u>P.E :</u>

Polkerris- Wednesdays and Thursdays

Crooklets - Thursdays

Forest School - Mondays

<u>Library:</u>

Polkerris - Tuesdays

Crooklets - Wednesdays
