

Mathematics:

Make your very own number line up to 10. Draw a picture for each number of something that reminds you of Cornwall. Some ideas could be... 1 = 1 Cornish flag, 2 = 2 sandcastles, 3 = 3 engine houses etc.

Or

Make your own 100 square!

PSHE:

Can you create a set of Golden Rules to help everyone to keep Cornwall a clean and happy place to live in?

Literacy

Class Texts: Percy Pengelly and the Wibble Wobble

Retell the story of Percy Pengelly and the Wibble Wobble using pictures or words.

Or

Make an information poster all about the work coastguards do in Cornwall.

Science

Go on a senses walk in your local area or maybe in one of your favourite places. What can you see, hear, smell, touch and taste?

Or

Make a photo timeline of yourself. Start when you were a baby and finish with a recent photo. Try and add some details, such as what your birth weight was, how tall are you now and your age next to each photo.

Celebrating Cornwall

Autumn topic homework

D&T / Art

Make the Cornish flag.

Or

Design a new flag to represent Cornwall

P.E.

Ball skills-

Create your own ball challenges at home. For example, can you catch a ball 5 times without dropping it? Can you kick a ball at a target without missing? Record your challenges and results to show us.

Religious Education

Draw some special objects that can be found in a church. For example, the font, a candle, a Bible, a cross.

Or

Design your own Celtic cross.

Geography

What is the Geography of Where I live?

Where is your favourite place to visit in Cornwall? Can you paint a picture or even make a model of it?

or

Draw a simple plan of the street where you live. You could use Google Earth to help you.

I.C.T

Use ICT to research different types of healthy foods. Can you design a healthy meal and have a go at making it?

Music

Write a song celebrating all the lovely things about living in Cornwall. Try and include a verse and a chorus.
