

Mathematics

Number and place value

- read, write, order and compare numbers to at least 10 000 000 and determine the value of each digit
- count forwards or backwards in steps of powers of 10 for any given number up to 10 000 000
- round any number up to 1 000 000 to the nearest 10, 100, 1000, 10 000 and 100 000
- use negative numbers in context
- solve number problems and practical problems that involve all of the above

Addition and subtraction

- use knowledge of the order of operations
- solve multi-step addition and subtraction problems in less familiar contexts
- consolidate adding and subtracting whole numbers with more than 4 digits, including using formal written columnar addition and subtraction

Multiplication and division

- multiply and divide whole numbers and those involving decimals by 10, 100 and 1000
- identify common factors, multiples and prime numbers above 100
- Consolidate knowledge of multiples and factors, including all factor pairs of a number, and common factors of two numbers
- multiply multi digit numbers up to four digits by two digits
- divide numbers up to four digits by a two digit whole number

PSHE

Growth mindset

SCARF - Me and my relationships ...

I can tell you some assertive behaviours.
I can explain what is meant by compromise.
I can explain what appropriate touch is and give examples
