

# Perranporth class

## Summer 2

### English

Pick a place on the map and write a fairy tale.  
Write a poem for compass rose.  
Write anagrams for countries.

### Maths

Choose two countries, and compare them, for example, "Which country extends farther north?"  
Make your own questions.

### Geography

Design your own holiday island  
Use a grid, include different features and don't forget to draw the symbols for the key.

### Music

Research songs or music related to geography. Learn, sing, or accompany with any instruments and film it :-)

## Geographical skills

### Science

Habitats are made up of plants, animals, fungi, rocks, mud and water. They create amazingly different homes for nature and affect what kind of creatures can live there. Why not try and figure out what kinds of habitats are near you?

### ICT

Research choose and draw symbols from an Ordnance Survey map—create a mini booklet.

### PSHE

Where do you want to live when you grow up and why?

### Spanish

Create Spanish/English dictionary for a tourists.

For example:  
the town, the food, ...

### Art

Choose any technique (collage, painting, drawing,...) and create a landscape of any place in the world.

Design a postcard .

Digimap
