CCCVCC words

Tricky words:

**you, are, what, do,
full**

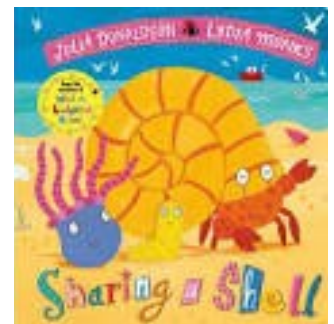

Topic

Oh I do like to be beside the Seaside

This week we have been busy exploring water play outside moving the boats along into the harbour. We have also been decorating different types of fish to add to our hanging display.

Topic Book

Sharing a Shell

Maths: Numbers

The children used real objects to see that a quantity of a group could be changed by taking away. They used First, Then and Now stories to help conceptualise the idea above and put it into a meaningful context.

Stars of the Week

Photos from our week

We have enjoyed Music week on Monday and also had a very special visit from the dentist.

Next Week's Learning

Phonics

Phase 4

(shampoo, children, handstand, giftbox, champion)

Tricky words:

you, are, what, do, full

Maths: Numbers

Children will begin to learn that shapes can be combined and separated to make new shapes. They will investigate how many different ways a given shape can be built using smaller shapes. They will also continue their work using Tangrams and block patterns.

Topic

Oh I do like to be beside the Seaside

Next week we are going to explore the colours of the sea. Can we change a light blue into a dark blue? We are going to use our problem solving skills to work out how we can change the shades of blue.
