

Mathematics

Make a block chart to show the different types of vehicle that went past you in 10 minutes. Write some questions that can be answered from looking at your chart.

PSHE

Can you do something different every day that makes someone feel happy?

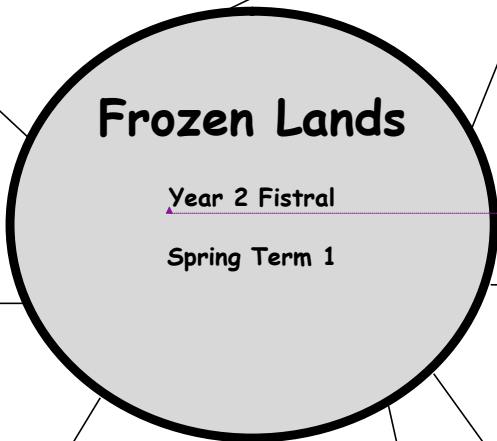

Literacy

*Research an animal that lives in extreme hot or cold. Make a poster with information about it.

*Describe an animal that lives in a cold place. Try and use lots of adjectives in your description.

Science

- Investigate how to stop an ice cube from melting or how to keep a hot drink warm.

D&T / Art

- * Decorate a biscuit/cake with an animal/scene from a polar region.
- * Make a snowflake

P.E.

Learn to skip, you already can skip, can you learn to skip backwards? How many skips can you do in 1 minute?

Religious Education

Find out why we celebrate St Valentine's Day and make a card for someone.

History

Find out about how people used to keep warm before electricity was invented.

Geography

Make a list (and draw it if you like) of items to pack in your suitcase for a trip to Antarctica.

I.C.T

Make a poster about how to stay safe when using the internet.

Music

Find some music that reminds you of snow falling. Can you share it with us?
