

Mathematics

Week 1: Fact families and number bonds to 10.

Week 2: Addition

Week 3: Subtraction and subtraction facts.

Week 4: Subtraction and comparing addition and subtraction sentences.

Week 5: Subtraction and comparing addition and subtraction sentences.

Week 6: 2D and 3D shapes.

Week 7: Assessments

PSHE:

Me and My Relationships – My Special People

A look at who is special to the children in the class. Who they like to spend time with and how each family is different.

Literacy

Class Text: Room on the Broom, The Jolly Christmas Postman, Christmas Poetry

Fiction: stories with patterned language and learning how to tell a story in chronological order.

Non-Fiction: Recounts and letter writing.

SPAG:

Simple sentences, adjectives, finger spaces, capital letters and full stops, using the word 'and' to make compound sentences, rhyming words.

Science

Everyday Materials

In this unit, children will learn to identify and name everyday materials and will have the opportunity to explore the properties of these materials. Children will carry out simple investigations to help them decide which materials would be suitable for different things (umbrella). At the end of the unit, children should be able to sort materials by their properties, make predictions and observations and carry out simple, comparative tests.

Toys

Crooklets Class – Autumn 2

D&T / Art

Children will invent and create their own toys using junk model materials.

Christmas art; cards, decorations, paintings, props

P.E.

Ball Skills: The focus of learning is to explore different ways of using our hands to move with a ball. Pupils will explore different ways of pushing a ball, controlling it and to understand why it is important to keep the ball close to them.

Thursday PM – Mrs Hawken

Religious Education

Christmas – Why is it special for Christians?

Children will learn about what happens at a traditional Christmas festival, learn the word 'reincarnation' and how it applies to God coming to Earth as Jesus and learn different religious stories.

History

The History of Toys:

In this unit, children will learn about popular toys through the 20th century and early 21st century. Children will think about their favourite toys and then link them to toys that their parents and grandparents enjoyed. Children will develop a range of historical skills such as; asking and answering questions, using different research sources and recognising change throughout history.

I.C.T

Popplet Lite: a fantastic multi-purpose app that can be used to take and sequence photos!

Music

My Stories: Children learn to sing nursery rhymes and action songs such as; I'm a little teapot, The Grand Ole Duke of York, Ring O'Roses, Hickory Dickory Dock, Not Too Difficult.
