Summer Term

18.6.21

Phonics

Phase 4

CCVC and
CCVCC words

(thank, twist, frost)

New tricky words:

love, all, when

Topic

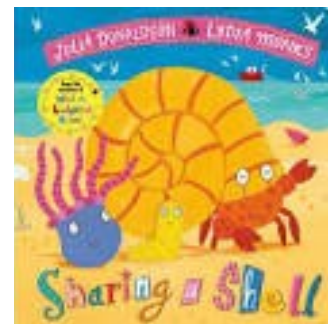

Oh I do like to be beside the Seaside

This week we have been making collage Ice Creams for our display.

We have also made some lovely salt dough shell imprints.

Topic Book

Sharing a Shell

Maths: Numbers

Children have begun adding numbers by using real objects and seeing that quantities of groups can be changed by adding more. They have done this by using a 'first, then, now' structure which creates stories using numbers in meaningful contexts.

Next Week's Learning

Phonics

Phase 4

CCCVCC words

Tricky words:

**you, are, what,
do, full**

Maths: Numbers

Children will begin to learn about subtraction by using the 'First, Then and Now' maths stories they were introduced to last week when adding. They will begin by counting down from 20 and then start to take things away from larger groups using tangible objects.

Please can we have donations of clear plastic 2L bottles.

Topic

Oh I do like to be beside the Seaside

We are going to continue exploring water play and problem

Solving. Can the children float the boats to the harbour?

Please upload all learning onto Tapestry

Important Dates

7/7/21 Rockpool Aquarium visit

21/07/21 Last day of term

22/07/21 Inset Day

23/07/21 Inset Day

Reminders

P.E :

Polkerris - Wednesdays and Thursdays

Crooklets - Mondays and Thursdays

Forest School - Mondays

Library:

Polkerris - Tuesdays

Crooklets - Wednesdays

Challenge of the week

Can you find 20 objects
and count forwards and
backwards?

Can you subtract from
20?

Sun cream and Sun hats

Please can all children come to school with sun cream applied and sun cream in their bag to top up throughout day if needed. Although it may not look sunny in the morning, it can get sunny and hot.

All children will also need a sun hat with their name in.

Please ensure all water bottles are clearly named.

Thank you!
