

**Research your favourite toy! Can you answer these questions?**

- When and where was it first made.
- What materials is it made from.
- Has it changed over time? How?
- Can you find a picture of what it used to look like?

With a parent, create a toy shop at home. Give some of your toys price tags (no more than 5p) and take turns being shop keeper and customer. Buy two items and add them together. How much did you spend? Lots of photos please and number sentences too!  
Number sentence:  $4 + 3 = 7$

Interview a grandparent or older relative about a toy they played with as a child. Tell us what they said or make a video!

## **The History of Toys Science: Materials**

Topic Homework  
Due Date: Wednesday 16<sup>th</sup>  
December

**Create a toy board!**  
Find as many pictures of your favourite toys as you can and stick them on a board. You can use; magazines, newspapers, catalogues, photos of your own toys, internet pictures,

**Create a board game!**  
Make the board and the pieces. How do you play it? Write instructions.

**Create a story about a toy.** Draw the beginning, middle and end of your story and then write a sentence for each picture.

**Investigate your favourite toy.** Draw a picture of it and then label all the materials it is made out of.

**Make a 'history of toys' timeline.** Research toys throughout history and put them in order on a timeline.
