Mathematics:

Can you figure out all the number bonds to 10 (pairs of numbers which can be added together to make 10)? Write them on a piece of paper!

CHALLENGE: Can you memorise them and say them out loud? Film a video doing this!

<u>PSHE:</u>

Me and My Relationships Recipe for Friendship!

What are the 'ingredients' that make a good friendship? Discuss what is important in a friendship. Write your ideas down - recipe style!

Sometimes we can fall out with friends so you could think of another recipe - a recipe for making up.

<u>Science</u>

Animals Including Humans – The Human Body and our Senses:

Sight, Touch, Taste, Hearing, Smell

Use your senses to explore somewhere outside. This could be your garden, the park or a place you visit. Draw a picture of all the different things you explore with your senses.

Religious Education

Islam - Who is Muslim? Look at some examples of Islamic art: (http://www.arthafez.com/gallery. html) Create your own painting by using some of the designs and

techniques.

Marvellous Me Year 1 Homework:

Autumn 1

DUE: Wed. 20th Oct.

Geography

What is the Geography of Where I live? With support, produce a simple sketch map with labels of the immediate vicinity of your home in order to identify physical and human geographical features. This can include any examples of land uses. If possible, the map can be accompanied by photographs.

Literacy

Marvellous Me Poster!

Draw a picture of yourself in the middle of the poster and then draw all your favourite things around it. What do you like to do? What is your favourite food? Colour? Animal? What does your house look like?

Label your pictures and remember to use a capital letter if your label is the name of a person or place!

<u> D&T / Art</u>

Marvellous Me Collage!

Instead of drawing your poster (the Literacy activity), make a collage instead using pictures cut out from magazines and newspapers to show your favourite things.

<u>P.E.</u>

Start with a hoop (hole),a ball and a cone (starting point). Place your hoop a short distance away from your cone. The aim of the game is for you to roll your ball into the hoop in the least amount of rolls possible.

<u>I.C.T</u>

Popplet: Download the FREE Popplet lite App and have an explore! Can you create a 'mind map' of all your favourite things?

<u>Music</u>

Hey You!

Pick your favourite song and learn how to sign the words using Makaton! Film a video or present to your class!
