

Mathematics

Week 1: Numbers to 100

Week 2: Ordering, Partitioning and Comparing numbers to 100.

Week 3: Fractions: Halves

Week 4: Fractions: Quarters

Week 5: Money: Coins and Notes

Week 6: Time: before and after

Week 7: Time: Telling time to the hour and half hour

Science

Seasonal Changes: Spring and Summer

Children will continue to use a weather station to observe, measure and record the weather in spring and summer and will start to make comparisons between the two seasons. They will also observe changes across the seasons by exploring the signs of spring and summer through nature.

Religious Education

How should we care for others and the world?

A deeper look at the following big questions:

- What do Christian, Jewish and non-religious people believe about caring for people?
- How do some religious and non-religious people show that they care for people?
- What stories do Christians and Jewish people tell about the beginning of the world and how to treat the world?

PSHE:

Growing and Changing:

How our bodies change, how to look after babies and who we can ask for help when we need it.

Why Do We Love Being by the Sea So Much?

Crooklet's Class – Summer 2

Literacy

Class Text: Sharing a Shell

Fiction: Stories with rhyming language (patterned).

Non-Fiction: Poetry

SPAG:

Verbs, Adjectives, Capital letters, Full stops, Exclamation marks, Question marks, Rhyming Words—word endings.

D&T / Art

Collages, junk modelling and painting.

P.E.

Gymnastics: The focus of learning is to apply 'champion gymnastics' to explore movements and balances in a wide way on the floor and on apparatus.

Jumping: A unit exploring all the ways we can jump and how it effects out bodies.

Thursday PM – Mrs Carter

Monday PM – Mrs Evans

Geography

Why do we love being by the sea so much?

This investigation focuses on the immediate vicinity of the school and the pupils' homes and then extends to encompass the local area. The enquiry combines the application of the digital content of two GIS programmes with fieldwork in the local area. This enables pupils to identify, describe and offer reasons for the location of human and physical geographical features of the environment and to begin to explain any changes in land use that have occurred.

I.C.T

Discovery Coding: Working on the Chromebooks, children will be given the opportunity to learn the introductory stages to computer programming.

Music

Rhythm In The Way We Walk: All the learning is focused around two songs: Rhythm In The Way We Walk (Reggae style) and Banana Rap (Hip Hop style). Children will listen and appraise!
