

Write a letter to the government about a law that you think should be made official in this country, explaining your reasons.

Read the Highway Rat (Julia Donaldson)- write a newspaper report about his crime and punishment

Write a family contract of rules and consequences - you can decorate your contract as you wish

History of Crime and Punishment

Topic Homework

Summer 1 Year 3-4

Maths problem solving

Remus Lupin has a problem: when he becomes a werewolf he has a penchant for stealing Chocolate Frogs from the pupils of Hogwarts. This happens every full moon night, but in the nights leading up to that, he also likes to snaffle Sugar Hexes. After the full moon he prefers to pilfer Peppermint Toads. Observe the moon each night, draw a picture of what you see along with the date and a note which sweets Remus will be out hunting for. Hint: the next full moon is April 26th

Make a 'Wanted' poster for a famous criminal (real or fictional) or make one up.

You will want to include what they look like, their crimes and a reward. Decorate your poster appropriately

Do your own fingerprints- what patterns do you notice?

Could you compare them to someone else's?
