Autumn Term

1.10.21

Phonics

Phase 2

g, o, c, k

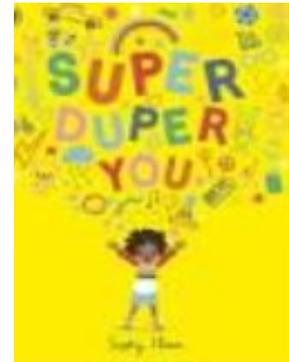

We have been practising the letter name and sound for 'g, o, c, k'

Topic

Marvellous Me

This week we have been thinking about our birthdays, the children have all enjoyed making wrapping paper, bunting and some super cakes with the playdough.

Topic Book

Maths: Numbers

This week, we have been exploring the concept of matching and sorting. Children have been given the opportunity to match objects which are the same and sort them based on similar characteristics.

Science Investigation

Children had the chance to investigate 'smelly pots' this week using their sense of smell to distinguish between different scents. They had to guess what smell was in the pot and match up the picture card to what they thought the smell was.

Please upload all learning onto Tapestry

Reminders

P.E.:

Polkerris - Mondays

Crooklets - Tuesdays

Library:

Polkerris / **Crooklets** - Mondays

Please ensure the children have **wellies, waterproofs and their P.E kit in school clearly named.**

Next Weeks Learning:

Phonics

Phase 2

We will be recapping the sounds we have learnt this week **'g,o,c,k'** and introducing our new sounds **'ck, e, u, r'**

Topic

Next week the children will be thinking about what they were like as babies and how they have changed, what can they do now that they couldn't do as a baby.

Maths: Numbers

Now that the children are confident in matching and sorting objects, they need to learn that these sets can be compared and ordered. They will learn that when comparing objects, sets can have more, less, or the same.
