Reception Newsletter

Spring Term

12.3.21

Welcome back to School and to Spring Term.

We have missed you all and are so happy to see our children back.

Our Reception newsletter will be shared with parents and carers every Friday to celebrate our learning.

We want our parents involved in their children's learning at every opportunity and we really value your support.

Please share on Tapestry any fun and wow moments from home.

Thank you for your continued support.

Topic

Plants

Next week we are going to create a sensory tray exploring the smells and textures of a variety of herbs such as basil, sage, and mint. If you have some at home why not let your child explore these with you. Talk about how they smell, look, and taste!

Maths: Numbers

The numbers:

6 7 8

Composition, Pairs and Adding on.

Number Sense:

Subitising objects to 10.
Can you see how many objects there are without counting?
